Metal items can be brought to a Convenience Center for metal recycling. Televisions and electronics can be brought to a Convenience Center for electronics recycling.

Sharps Disposal (syringes/lancets)

Syringes and lancets should be disposed of in a “SHARP” container specially designed to prevent them from sticking waste disposal workers and others. **Please do NOT place them in a regular recyclable container.**

Check with your local pharmacy for information on “SHARP” needle disposal containers. Needles and lancets from home healthcare may be disposed of in the normal household trash once placed in a “SHARP” container.
