This program is designed for individuals ages 2-5 with various special needs to have an open play time with a parent, guardian, or caregiver in the leisure pool at the Hall Aquatic Center. This is a play group to encourage the child to become comfortable with the water, learn appropriate water play skills, experience the use of the slides, as well as being in a fun atmosphere during a less hectic time of a busy indoor aquatic facility. Cost includes one child and one parent, guardian OR caregiver. Siblings will be able to participate during this exclusive time period if registered and added adult is available for supervision.
