

Calvert County **RECYCLES**

Available at Appeal Landfill and all customer convenience centers

Used Motor Oil and Oil Filters Used Transmission Oil Used Hydraulic Oil

- Drain oil into a clean, dry plastic or metal container or empty oil bottles. Do not use paint cans, detergent bottles, etc.
- Do not mix oil with any other liquids (brake or power steering fluid, paint, gasoline, solvents, anti-freeze, cooking oil, etc.).
- Can be mixed with small amounts (less than five gallons) of diesel fuel or kerosene; NO gasoline
- Take your container to one of the Calvert County convenience centers and pour it into the oil recycling container.
- Drain the filter of its oil and drop it into the oil filter container.

Used Anti-Freeze
