Oversized items, large furniture and Freon appliances must be brought to the Appeal Landfill.  
Commercial haulers must use the landfill, not the convenience center sites.

# Appeal Landfill

401 Sweetwater Road Lusby, MD 20657  
410-326-0210

## No-cost Disposal Items

### Calvert County Residents

- Household bagged trash
- Recyclables (except yard debris)
- Furniture (Appeal Landfill only)
- Pet animal waste
- Freon appliances (Appeal Landfill only)

### Calvert County Residents and Calvert County Commercial

- Appliances (stoves, washers, dryers, dishwashers)
- Metal (including heaters, pipes, plumbing, sheet metal, ducts, fencing, metal septic tanks, tubs, sinks, etc)
- Metal trailers, campers (tow behind only - Appeal Landfill only - items must be free of all loose trash)

## Special Bulk Pick -up Items

The Calvert County Division of Solid Waste offers county citizens free bulk item pick-up services. There is a limit of three items per pick-up, **indoor furniture and large, indoor appliances ONLY**. Call 410-326-0210 to schedule an appointment.

The following are some examples of items that **cannot** be picked up:

- Building/Construction Materials
- Lawnmowers
- Outdoor Furniture/Picnic Tables
- Cooking Grills
- Exercise and Recreational Equipment
- Pianos /Musical Instruments
- Tractors/Tillers
- Play Equipment/Toys
- Televisions/Electronics
- Heat Pumps
- Farm Equipment
- Pool/Game Tables
- Carpet/Padding

Metal items can be brought to a Convenience Center for metal recycling. Televisions and electronics can be brought to a Convenience Center for electronics recycling.

## Sharps Disposal (syringes/lancets )

Syringes and lancets should be disposed of in a "SHARP" container specially designed to prevent them from sticking waste disposal workers and others. **Please do NOT place them in a regular recyclable container.**

Check with your local pharmacy for information on "SHARP" needle disposal containers. Needles and lancets from home healthcare may be disposed of in the normal household trash once placed in a "SHARP" container.
