
Air Installations Compatible Use Zones Study for NAS Patuxent River, Patuxent River, Maryland

July 2009

Prepared by:

UNITED STATES DEPARTMENT OF THE NAVY
Naval Facilities Engineering Command
Washington, DC

Table of Contents

Section	Page
List of Tables	vii
List of Figures	ix
Acronyms and Abbreviations	xi
1 Introduction	1-1
1.1 AICUZ Program	1-3
1.2 Purpose, Scope, and Authority	1-4
1.3 Responsibility for Compatible Land Use.....	1-6
1.4 Previous AICUZ Efforts and Studies.....	1-7
1.5 Changes that Require an AICUZ Update.....	1-7
1.5.1 Changes in Operations Level	1-8
1.5.2 Changes in Aircraft Mix.....	1-9
1.5.3 Changes in Flight Tracks and Procedures	1-13
2 NAS Patuxent River	2-1
2.1 Location	2-1
2.2 Mission	2-1
2.3 History	2-1
2.4 Operational Areas	2-2
2.4.1 NAS Patuxent River	2-2
2.4.2 Outlying Landing Field (OLF) Webster Field.....	2-7
2.4.3 The Inner Range of the Atlantic Test Range	2-7
2.5 Local Economic Impacts and Population Growth	2-8
3 Aircraft Operations.....	3-1
3.1 Aircraft Types	3-2
3.1.1 Fixed-Wing Aircraft.....	3-2
3.1.2 Rotary- Wing Aircraft	3-5
3.1.3 Unmanned Aerial Vehicles (UAVs).....	3-7
3.1.4 Ongoing and Future Missions at NAS Patuxent River.....	3-8
3.2 Squadron Organization and Aircraft Loading.....	3-8
3.3 Airspace	3-10
3.4 Aircraft Operations	3-12
3.4.1 Flight Operations.....	3-12
3.4.2 Runway and Flight Track Utilization	3-14
3.4.3 Pre-Flight and Maintenance Run-Up Operations	3-18
3.5 Inter-Facility Operations.....	3-18
4 Aircraft Noise.....	4-1
4.1 What is Sound/Noise?.....	4-1
4.2 Airfield Noise Sources.....	4-3

Table of Contents, continued

<u>Section</u>	<u>Page</u>
4.3	Noise Complaints..... 4-3
4.4	Noise Abatement/Flight Procedures 4-5
4.4.1	Noise Disturbance Response System 4-5
4.4.2	Noise Abatement Procedures at NAS Patuxent River..... 4-6
4.5	Noise Contours 4-7
4.6	Comparison of 1979 and 2009 AICUZ Noise Contours..... 4-8
5	Airfield Safety 5-1
5.1	Accident Potential Zones 5-2
5.1.1	Aircraft Mishaps..... 5-2
5.1.2	APZ Configurations and Areas 5-2
5.1.3	Helicopter APZs..... 5-5
5.1.4	Comparison of 1979 and 2009 AICUZ APZs 5-5
5.2	Flight Safety..... 5-11
5.2.1	Imaginary Surfaces..... 5-11
5.2.2	Bird/Animal Strike Hazard..... 5-12
5.2.3	Electromagnetic Interference 5-13
5.2.4	Lighting 5-14
5.2.5	Smoke, Dust, and Steam..... 5-14
6	Land Use Compatibility Analysis 6-1
6.1	Planning Authority..... 6-1
6.2	Land Use Compatibility Guidelines and Classifications 6-2
6.3	Existing Land Use and Zoning and Compatibility 6-3
6.3.1	Zoning 6-3
6.3.2	Existing Land-Use and Compatibility 6-8
6.3.3	Future Land Use and Compatibility 6-8
6.3.4	Compatibility Concerns at NAS Patuxent River 6-19
7	Land-Use Tools and Recommendations..... 7-1
7.1	Tools for Implementing AICUZ..... 7-2
7.1.1	Federal Tools..... 7-2
7.1.2	Local Government Tools..... 7-4
7.1.3	Private Citizens/Real Estate Professionals/Businesses 7-7
7.2	Recommendations..... 7-8
7.2.1	NAS Patuxent River Recommendations 7-8
7.2.2	Local Government and Agency Recommendations 7-10
7.2.3	Private Citizens/Real Estate Professionals/Businesses Recommendations 7-12
8	References 8-1
Appendix A F-35 Flight Tracks..... A-1	
Appendix B Noise Impacts..... B-1	

Table of Contents, continued

<u>Section</u>	<u>Page</u>
Appendix C Land Use Compatibility Recommendations	C-1
Appendix D St Mary’s County AICUZ Zoning Overlay Ordinance	D-1
