

Huntingtown Town Center Master Plan Update

Kick-off Meeting, February 19, 2008

Goal Assignment

The Huntingtown Master Plan sets forth an overall goal and four objectives. The following text is from the Huntingtown Master Plan (page 17).

A “master plan” should reflect the community’s vision for the future, and provide recommendations for the coordination and integration of public and private investments within the town center to achieve this vision. Based on the several community meetings, the following goal and objectives were identified:

GOAL:

The overall goal of the master plan is to protect and enhance the small town character of Huntingtown while recognizing its role and function as a designated minor town center. Specific objectives of the master plan include:

OBJECTIVES:

1. accommodate future growth within the Town Center while maintaining its character
2. encourage compatible commercial development while protecting existing residences
3. create a distinctive identity for Huntingtown through the establishment of a community focal point and preservation of visual integrity
4. resolve traffic safety issues by establishing a safe and functional road system

Group Assignment:

Under the leadership of the facilitator complete the following:

1. Review and discuss the goal and objective statements above and assess whether they are still a valid expression of the policies which should guide development in Huntingtown in the future. Determine the following about each statement:
 - a. Yes, the goal/objective is still valid;
 - b. Yes, with changes the goal/objective is still valid (record the needed changes); or
 - c. No, the goal/objective is no longer valid.
2. Suggest any new or alternative goals or objectives that are appropriate.
3. Prepare a list indicating whether the goal/objective should be kept, modified, eliminated, or added.
