1-1 PURPOSE OF THIS ORDINANCE

The Solomons Town Center Master Plan is based on the stated goals of the Calvert County Comprehensive Plan. One tool necessary to implement the Master Plan is a Zoning Ordinance designed to regulate land uses as part of the effort to promote the health, safety and general welfare of Calvert County residents.

Many aspects of land use can impact adjoining properties, neighborhoods, public facilities and overall development of the Solomons Town Center. Therefore, the purpose of this Zoning Ordinance is to implement the stated goals of the Solomons Master Plan, which include, among others:

- A. Treat the entire Solomons Town Center as an economic, environmental, and aesthetic whole, except for the Solomons Annex of NAS PAX River (Planning Area A).
- B. Recognize and provide for all the water-based activities of Solomons, including but not limited to, commercial and recreational boating, crabbing and fishing, and public access to the water.
- C. Support and enhance a mix of uses in the Solomons Island Village Core that are family-friendly, encourage year round activity, and are visually compatible with Solomons architectural heritage that makes it a distinctive destination.
- D. Protect and enhance established residential areas.
- E. Encourage commercial development that is compatible with the environmental, cultural, historical, and aesthetic character of Solomons.
- F. Promote a broad mix of commercial, office, residential, public and institutional uses within the Solomons Town Center.
- G. Protect the environment.
- H. Promote a balanced, complete transportation system to enhance mobility.

1-2 TERRITORIAL LIMITS AND APPLICATION OF THIS ORDINANCE

This Ordinance shall apply to all the lands, uses and improvements within the Solomons Town Center, as designated on the Official Zoning Maps, adopted by the Calvert County Board of County Commissioners and recorded among the Land Records of Calvert County, as amended from time to time. Except as otherwise specified, the use of any property and the construction or alteration of any building or structure within the Solomons Town Center shall conform to the requirements of this Zoning Ordinance.

1-3 SEPARABILITY

If a court of competent jurisdiction declares any Section, Subsection, sentence, clause or phrase of this Ordinance invalid or unconstitutional, such provision shall be deemed separate and such invalidity or unconstitutionality shall not affect the validity of the Ordinance in its entirety or of the remaining Sections or parts thereof.

1-4 ZONING OFFICER

The Calvert County Zoning Officer shall be responsible for giving approval for building permits, enforcement of the provisions of this Ordinance, and clarifying the intent of this Ordinance, in accordance with Section 1-4 of the Calvert County Zoning Ordinance.

1-5 SCHEDULE OF FEES, CHARGES & EXPENSES

The adoption and administration of the schedule of fees, charges, and expenses for applications relating to this Ordinance shall be in accordance with Section 1-5 of the Calvert County Zoning Ordinance.

1-6 ORDINANCE AMENDMENTS

Any amendment to this Ordinance shall be made in accordance with Section 1-6 of the Calvert County Zoning Ordinance.

1-7 ENFORCEMENT OF ORDINANCE

The Zoning Officer or its designee is authorized to make such inspections as are reasonable and necessary to determine satisfactory compliance with this Ordinance as well as other enforcement provisions as described in Section 1-7 of the Calvert County Zoning Ordinance.

2-1 ZONING MAP & DISTRICT BOUNDARIES ESTABLISHED

As specified in the Solomons Town Center Master Plan, the Solomons Town Center is divided into six planning areas. The planning areas are further divided into sub-areas, which are also the Solomons Zoning Districts. The locations and boundaries of the planning areas and sub-areas are established as shown on the maps entitled "Solomons Town Center Zoning Maps". The maps and all notations, dimensions, references and other data shown, as well as properly attested amendments, are incorporated as a part of this Ordinance. Maps reflecting the current status of zoning are available from the Department of Planning & Zoning, Room 304, County Services Plaza, 150 Main Street, Prince Frederick, Maryland.

2-2 INTERPRETATION OF ZONING BOUNDARIES

The interpretation of zoning boundaries within the Solomons Town Center shall be in accordance with Section 2-3 of the Calvert County Zoning Ordinance.

2-3 NOTE RESTRICTIONS ON ZONING MAPS

Note restrictions are placed on Zoning Maps to address special situations. In the event of a conflict between the note restrictions and the Zoning Ordinance, the note restrictions will supersede the specific regulations in the Zoning Ordinance. Also see Section 2-5 of the Calvert County Zoning Ordinance for amendments to note restrictions on Zoning Maps.

2-4 DISTRICT CHANGES

The Solomons Town Center Zoning Maps may from time to time be amended, through rezonings by application and comprehensive rezonings, in accordance with Section 2-5 of the Calvert County Zoning Ordinance. Note restrictions on the Zoning Maps may be amended by the procedure for Ordinance text amendments, in accordance with Section 1-6 of the Calvert County Zoning Ordinance.

2-5 NON-CONFORMING USES¹

In order to effectively implement the stated goals of the Solomons Master Plan and the Calvert County Comprehensive Plan, uses that do not conform to those goals shall be strictly regulated by the provisions of this Ordinance.

2-5.01 Non-Conforming Use Defined

A non-conforming use is a use which lawfully existed prior to the adoption or amendment of this Ordinance, but, by virtue of the adoption or amendment of this Ordinance, is no longer a permitted use in the sub-area within which it is located. For the purposes of this Section, the "date of non-conformity" shall be the date of the adoption or amendment of this Ordinance; the adoption or amendment of which rendered a use non-conforming.

2-5.02 Continuation of Lawfully Existing Uses

Any use lawfully existing at the time of the adoption or amendment of this Ordinance may continue to be used even though such use is no longer permitted in the sub-area in which it is located.

¹ For provisions regarding non-conforming **structures**, see Section 2-6 herein.

2-5.03 Expansion of Non-Conforming Uses Prohibited

- A. The area occupied by a non-conforming use shall not be permitted to be expanded beyond the area occupied by the use as of the date of non-conformity.
- B. For a non-conforming use that does not involve a building or structure, the area of the lot utilized by such a use as of the date of non-conformity shall not be expanded.
- C. If a nonconforming use does not involve a building or structure and the area of the lot utilized by such a use is also used for a permitted use, the area shall not be deemed as part of the nonconforming use. It shall be deemed as part of the permitted use.
- D. The Board of Appeals shall not be permitted to grant variances to the provisions of subparagraphs A, B and C, above.

2-5.04 Replacement of Non-Conforming Uses

The non-conforming use of a building, structure or premises shall not be replaced with another non-conforming use. The non-conforming use shall only be replaced with a use permitted by this Ordinance.

2-5.05 Discontinuance of a Non-Conforming Use

A non-conforming use of property which has been discontinued or abandoned for nine consecutive months or for 18 months during a three-year period shall not again be used for a non-conforming use except that non-conforming seasonal uses shall be permitted to continue unless discontinued or abandoned for a period of 24 consecutive months.

2-5.06 When a Non-Conforming Use Becomes a Special Exception

If a change to this Ordinance results in an existing non-conforming use being permitted as a special exception use, the use shall thereafter be considered a conforming use. A special exception shall automatically be granted and the owner shall not be required to obtain a special exception from the Board of Appeals to continue the use. However, expansion in area of the use or building area requires the approval of the Board of Appeals. The Board of Appeals shall apply the criteria for special exceptions contained in Section 11-1.02 of the Calvert County Zoning Ordinance.

2-6 NON-CONFORMING STRUCTURES (INCLUDING SIGNS)²

2-6.01 Non-Conforming Structure Defined

A non-conforming structure is a structure which lawfully existed prior to the adoption or amendment of this Ordinance, but which, by virtue of the adoption or amendment of this Ordinance, no longer conforms to the site design provisions of this Ordinance in terms of such requirements as area, setback, or height requirements, architectural standards, etc. For the purposes of this Section, the "date of non-conformity" shall be the date of adoption or amendment of this Ordinance; the adoption or amendment of which rendered a structure non-conforming.

² For provisions regarding non-conforming **uses**, see Section 2-5 herein.

2-6.02 Continuation of Lawfully Existing Structures

Any structure lawfully existing at the time of the adoption or amendment of this Ordinance may continue to be used even though such structure does not conform to the site design provisions of the sub-area in which it is located. A non-conforming structure may be used for a permitted use or a non-conforming use as described in Section 2-5 herein.

2-6.03 Expansion of Non-Conforming Structures

- A. The expansion of a non-conforming structure may be permitted subject to the following conditions:
 - 1. The length of a building wall that does not conform to the current setback requirements may be extended provided that it is not extended closer to the property line than the original structure. Such extension would require a variance from the Board of Appeals.
 - 2. Such extension shall not constitute more than 50 percent of the length of the original non-conforming building wall. Extensions beyond 50 percent require a variance from the Board of Appeals.
 - 3. Expansion shall not be permitted if the structure is occupied by a non-conforming use, the expansion of which would be prohibited by Section 2-5.03 of this Ordinance.
- B. The expansion of non-conforming signs shall not be permitted.

2-6.04 Replacement of Non-Conforming Structures

- A. Nothing in these regulations shall prevent the restoration and/or replacement of a non-conforming structure destroyed by fire, wind storm, flood, explosion or act of public enemy or accident, or prevent the continuance of the use thereof as it existed at the time of such destruction, provided that a building permit application is properly submitted within one year after the occurrence. This provision does not apply if an owner of a property intentionally destroys a non-conforming structure either by means as described above or by neglect or abandonment.
- B. When a non-conforming sign, or any part thereof, is to be replaced with a new sign, due to change in ownership of the property or business, or change in the use of the property, the new sign shall be brought into conformance with this Ordinance. These provisions do not apply to routine maintenance and repair of non-conforming signs.
- C. A non-conforming use or structure which is taken in a negotiated settlement or condemnation proceedings shall be permitted to relocate only on the same lot or parcel, or on a contiguous lot or parcel which was in the same ownership at the inception of the condemnation proceedings, and provided the applicable lot area, setback and height requirements of the District in which such use is a principal permitted use can be met. Such relocation or construction as existed prior to its taking may be permitted provided a building permit application is properly submitted within six months of the settlement date of the condemnation proceedings.

2-7 PLANNING AREAS AND ZONING SUB-AREAS

2-7.01 Purpose of Establishing Planning Areas and Zoning Sub-Areas

The Solomons Town Center is divided into six planning areas, each of which is further divided into zoning sub-areas. These sub-areas are established to regulate appropriate locations for different types of land uses within the Town Center. The appropriate location for a particular land use is determined by the stated goals of the Solomons Master Plan as well as environmental suitability, the location of public facilities and services, and existing land uses in the vicinity.

2-8 PLANNING AREAS AND ZONING SUB-AREAS: PURPOSES, DESCRIPTIONS & POLICIES

2-8.01 Planning Area A - The Solomons Annex of NAS PAX River

The Solomons Annex of NAS PAX River is federal property and, therefore, exempt from County Planning and Zoning regulations. It is identified for reference purposes as Planning Area A. Should it ever cease being federal property, the Solomons Master Plan and Zoning Ordinance will be revised accordingly.

2-8.02 Planning Area B – The Sandy Point Area

A. Description

Planning Area B includes the Sandy Point residential area; the institutional buildings and property of the University of Maryland Center for Environmental Science, Chesapeake Biological Laboratory; a mixture of residential, marina and institutional buildings and structures on property located at the north end of Farren Avenue; and the retail and lodging uses in the center of the area.

B. Planning Area B Zoning Policies

The Solomons Master Plan includes general policies relating to the zoning of Planning Area B. They are as follow:

1. The Appearance Code shall be mandatory in Planning Area B. See Article 6 herein.
2. Reduced waterfront buffers are allowed in some areas that are already developed within the 100-foot buffer. See Article 8 of the Calvert County Zoning Ordinance.
3. The retention of historic buildings shall be encouraged.

C. Sub-area Zoning Policies for Planning Area B

Planning Area B is further divided into Zoning Sub-areas as shown on the Official Solomons Town Center Zoning Maps. The following policies relating to the zoning of each sub-area are included in the Solomons Master Plan and are intended to be implemented and enforced through this Ordinance:

1. Sub-area B1: This sub-area shall be designated primarily for residential use.
2. Sub-area B2 and B3: The property owned by the University of Maryland Center for Environmental Science should be encouraged to adhere to the appearance standards governing new development and substantial rehabilitation in order to preserve the architectural character of the area and to ensure compatibility with adjacent residential areas. A mixture of institutional and water-related commercial uses is encouraged in this area.

3. Sub-area B4: This sub-area is designated for mixed commercial/residential use. Because the area borders the Sandy Point residential area, it is important to buffer this residential area from commercial incursion through the use of setbacks, fencing and screening. Commercial uses shall be required to provide a buffer along property boundaries when adjacent to residential properties to reduce the development impact on residences.

2-8.03 Planning Area C – Lore Road South to Charles Street

A. Description

The area from Lore Road south to Charles Street is the historic core of Solomons Island and Avondale. This area includes a mix of water-related commercial, residential, and institutional uses between the Narrows and Solomons Island Road; the parking area and bulkhead west of Solomons Island Road; the residential area of Avondale; the marinas on Back Creek and the Solomons inner harbor area; the farm along the Patuxent River, and the recreational area & open space under and adjacent to the Governor Thomas Johnson Memorial Bridge. The Solomons Island Village Core, from the Tide Box to Charles Street, is a destination for both residents and visitors.

B. Planning Area C Zoning Policies

The Solomons Master Plan includes general policies relating to the zoning of Planning Area C. They are as follow:

1. The Appearance Code shall be mandatory in Planning Area C. See Article 6 herein.
2. Waterfront buffers shall be required to protect the Patuxent River and the Mill Creek watershed, including The Narrows, Back Creek, Mill Creek and St. John Creek, and thus the Chesapeake Bay. Buffers from mean high water vary based on current intensity of use, need for environmental protection and Chesapeake Bay Critical Areas Commission regulations. See Article 8 of the Calvert County Zoning Ordinance.
3. Because the purpose of the Town Center is to be a focal point in the County for growth, no additional Agricultural Preservation Districts shall be designated in the Solomons Town Center.
4. The retention of historic buildings shall be encouraged.

C. Sub-area Zoning Policies for Planning Area C

Planning Area C is further divided into Zoning Sub-areas as shown on the Official Solomons Town Center Zoning Maps. The following policies relating to the zoning of each sub-area are included in the Solomons Master Plan and are intended to be implemented and enforced through this Ordinance:

1. Sub-area C1, C2 and the southern C3 area: The area designated by the Solomons Master Plan as the “village core” of the Town Center is intended for a mix of residential, commercial, and marina uses. In these sub-areas, development shall be subject to the Form-Based Code contained in Article 6 of this Ordinance. Certain commercial uses shall be permitted in the privately-owned structures currently located along the bulkhead; however, no expansion of the structures shall be permitted.

2. Sub-area C3 (north): There are two areas designated as Sub-area C3 on the Solomons Town Center Zoning Maps. These areas consist primarily of public facilities and amenities. The northern C3 Sub-area is located adjacent to and beneath the Thomas Johnson bridge. It contains the boat ramp, the associated parking area, and the visitor's center, as well as the Marine Museum complex. The southern C3 Sub-area also contains public amenities such as the gazebo along the boardwalk, and is considered part of the "village core" (see above description).
3. Sub-area C4: This area consists primarily of institutional and residential uses. It is the intent to maintain the current uses within this sub-area.
4. Sub-area C5: An Agricultural Preservation District (APD) currently occupies Sub-area C5. While the APD remains in effect, most uses permitted in an APD shall be permitted. However, some uses permitted by the Calvert County Zoning Ordinance in APDs are not appropriate within a Town Center. The Solomons Master Plan recommends that the Sub-area C5 be treated as part of Avondale (Sub-area C6). If the APD designation is lifted, uses allowed in Sub-area C6 will then be permitted in C5. (See Article 3 herein).
5. Sub-area C6: The area known as Avondale is primarily residential in character and shall be maintained as such. Only small-scale commercial uses shall be permitted within this area; however, a wider variety of commercial uses may be permitted on the properties within Avondale that front on Solomons Island Road due to their convenient access to a major roadway.
6. Sub-area C7: Four areas have been designated as Sub-area C7. These properties contain existing marinas and/or boat-related businesses. Those uses, as well as similar marine-related uses shall be encouraged in these areas.

2-8.04 Planning Area D – Lore Road to the Northern Town Center Boundary (east side of Route 2/4)

A. Description

Planning Area D includes the land north of Lore Road, from the Patuxent Plaza Shopping Center along the east side of MD Route 2/4 north to the Town Center Boundary. It is bounded on the east side by Back Creek and St. John Creek.

B. Planning Area D Zoning Policies

The Solomons Master Plan includes general policies relating to the zoning of Planning Area D. They are as follow:

1. Water-use related activity shall be discouraged along St. John Creek because of the narrowness of the creek and sensitive shoreline conditions.
2. Waterfront buffers shall be required to protect the Patuxent River and the Mill Creek watershed, including The Narrows, Back Creek, Mill Creek and St. John Creek, and thus the Chesapeake Bay. Buffers from mean high water vary based on current intensity of use, need for environmental protection and Chesapeake Bay Critical Areas Commission regulations. See Article 8 of the Calvert County Zoning Ordinance.
3. The Appearance Code shall be mandatory in Planning Area D. See Article 6 herein.
4. No clear-cutting of forest shall be permitted without an approved site plan.

5. The retention of historic buildings shall be encouraged.

C. Sub-area Zoning Policies for Planning Area D

Planning Area D is further divided into Zoning Sub-areas as shown on the Official Solomons Town Center Zoning Maps. The following policies relating to the zoning of each sub-area are included in the Solomons Master Plan and are intended to be implemented and enforced through this Ordinance:

1. Sub-areas D1 and D4: This sub-area is designated for commercial use because of its convenient transportation access and because it is relatively isolated from residential uses and waterfront areas.
2. Sub-areas D2 and D3: These areas are designated for primarily residential use with small-scale commercial and wet boat storage use.
3. Sub-area D5: This area is designated for residential, commercial and marine-related industrial use. Comprehensive plans for large underdeveloped land holdings are encouraged.

2-8.05 Planning Area E – Dowell Peninsula

A. Description

Sub-area E includes the land within the Town Center which is located on the Dowell Peninsula. The entire west side of the peninsula is included in the Solomons Town Center. The north and south areas of the east side of the Dowell peninsula are included in the Town Center, while the central portion is not.

B. Planning Area E Zoning Policies

The Solomons Master Plan includes general policies relating to the zoning of Planning Area E. They are as follow:

1. The Appearance Code shall be mandatory in Planning Area E. See Article 6 herein.
2. Waterfront buffers shall be required to protect the Patuxent River and the Mill Creek watershed, including The Narrows, Back Creek, Mill Creek and St. John Creek, and thus the Chesapeake Bay. Buffers from mean high water vary based on current intensity of use, need for environmental protection and Chesapeake Bay Critical Areas Commission regulations. See Article 8 of the Calvert County Zoning Ordinance.
3. Comprehensive plans for Sub-areas E1 and E3 are required and it will be mandatory to abide by the appearance and landscape guidelines because of the potential visual impact of development on the site.

C. Sub-area Zoning Policies for Planning Area E

Planning Area E is further divided into Zoning Sub-areas as shown on the Official Solomons Town Center Zoning Maps. The following policies relating to the zoning of each sub-area are included in the Solomons Master Plan and are intended to be implemented and enforced through this Ordinance:

1. Sub-areas E1: This area is developed with marina and residential uses and is designated for mixed residential, marina and commercial use.

2. Sub-area E2: This area is developed with individual single family-homes and is designated for residential, local-serving commercial uses, and wet boat storage.
3. Sub-area E3: This area is primarily developed in townhouses. Commercial use is not permitted on parcels adjacent to the waterfront in Sub-area E3.
4. The retention of historic buildings shall be encouraged.

2-8.06 Planning Area F – West Side of Route 2/4 South of Swaggers Point Road

A. Description

Planning Area F includes primarily residential uses with some commercial uses fronting MD Route 2/4. Sub-area F1 includes the land west of MD Route 2/4 and north of the Solomons Annex of NAS PAX River, and is comprised of multi-family dwellings, single-family attached dwellings and businesses along the highway. Sub-area F2 is the single-family residential area south of Swaggers Point Road.

B. Planning Area F Zoning Policies

The Solomons Master Plan includes general policies relating to the zoning of Planning Area F. They are as follow:

1. The Appearance Code shall be mandatory in Planning Area F. See Article 6 herein.
2. Waterfront buffers shall be required to protect the Patuxent River and the Mill Creek watershed, including The Narrows, Back Creek, Mill Creek and St. John Creek, and thus the Chesapeake Bay. Buffers from mean high water vary based on current intensity of use, need for environmental protection and Chesapeake Bay Critical Areas Commission regulations. See Article 8 of the Calvert County Zoning Ordinance.

C. Sub-area Zoning Policies for Planning Area F

Planning Area F is further divided into Zoning Sub-areas as shown on the Official Solomons Town Center Zoning Maps. The following policies relating to the zoning of each sub-area are included in the Solomons Master Plan and are intended to be implemented and enforced through this Ordinance:

1. Sub-area F1: This area is developed as age-restricted housing as well as a large townhouse development. It is therefore designated primarily for residential and institutional uses. There is an area of existing commercial development fronting on Creston Lane. However, the Solomons Master Plan includes a policy that retail commercial shall not be permitted in Sub-area F1. The wooded wetland at the entrance to Hungerford Creek is a natural asset and is to be preserved for use as passive recreation. No commercial or community water-dependent facilities are to be permitted within the mouth of the creek.
2. Sub-area F2: This area is to remain in residential use.

2-9 OVERLAY DISTRICTS

2-9.01 Purpose of Establishing Overlay Zoning Districts

Overlay Districts are created to impose special regulations in designated areas of the County. The Solomons Town Center contains properties that have been designated with Overlay Districts or are eligible for such designation. Regulations which apply within Overlay Districts shall be in addition to the underlying Zoning Sub-area regulations. There are three types of Overlay Districts in the Solomons Town Center: Agricultural Preservation Districts (see Section 2-10.01); Critical Area Districts (see Section 2-10.02); and Historic Districts (see Section 2-10.03).

2-10 OVERLAY DISTRICTS: PURPOSES, DESCRIPTIONS & POLICIES

2-10.01 Agricultural Preservation Districts

- A. Agricultural Preservation Districts (APDs) are part of the Agricultural Land Preservation Program. According to the Calvert County Zoning Ordinance, the purpose of this program shall be to:
1. offer an incentive for preservation of prime agricultural and forestry land;
 2. provide compensation to the landowner who voluntarily agrees to place agricultural and forestry use covenants on his land;
 3. offer a free market system for financing agricultural and forestry preservation, thus reducing direct cost to the taxpayers;
 4. guide development away from prime agricultural and forestry lands on which viable farming and forestry endeavors are practical; and
 5. act as a source of development rights.

See Section 2-10.01 of the Calvert County Zoning Ordinance for regulations applying to APDs.

- B. An APD currently occupies Sub-area C5 and is highly valued for the scenic vistas it provides from within the Solomons Town Center as well as from the Thomas Johnson Bridge.
- C. No additional APDs shall be permitted within the Solomons Town Center, as the Master Plan contains the following policy: "Because the purpose of the Town Center is to be a focal point in the County for growth, it is recommended that no additional Agricultural Preservation Districts be designated in the Solomons Town Center."

2-10.02 Critical Area District

- A. The majority of the Solomons Town Center is located within the Critical Area District. According to the Calvert County Zoning Ordinance, this District is created to:
1. minimize adverse impacts on water quality that result from pollutants in run off from surrounding land uses;
 2. conserve fish, wildlife and plant habitat; and

3. establish land-use policies for development in the Chesapeake Bay Critical Area which accommodate growth and also address the fact that, even if pollution is controlled, the number, movement and activities of persons in that area can create adverse environmental impacts.

See Article 8 herein and in the Calvert County Zoning Ordinance for regulations within the Critical Area.

2-10.03 Historic Districts

- A. Many properties within the Solomons Town Center contain historic features which may be eligible for designation as a Historic District. According to the Calvert County Zoning Ordinance, the purpose of this District shall be to:
 1. safeguard the heritage of the County by preserving areas and structures which reflect significant elements of its cultural, social, economic, political or architectural history;
 2. stabilize and improve property values in the area of Historic Districts and strengthen the local economy;
 3. foster civic beauty;
 4. promote the use and preservation of Historic Districts for the education, welfare, and pleasure of the residents of the County;
 5. develop an awareness among property owners of the value of preserving, protecting and restoring areas of historical significance; and
 6. enable the County government to identify and officially designate landscapes, structures and sites of historical and cultural importance to the County in order to make such structures and sites eligible for specific benefits conferred by this and other County ordinances and policies both current and adopted in the future.
- B. See Section 2-10.04 of the Calvert County Zoning Ordinance for regulations regarding District Boundaries and Administration of Historic Districts.
- C. Permitted Uses and Special Exception Uses
Permitted and special exception uses shall be as indicated in Article 3 of the Calvert County Zoning Ordinance. In addition, the following conditions shall apply to special exception uses in Historic Districts:
 1. If the property is a lot within a recorded subdivision containing more than five lots, the use shall only be permitted if:
 - a. access to the Historic District is not through the subdivision, and
 - b. all the lot owners in the subdivision sign the special exception application.
 2. Parking and accessory uses such as refuse bins, storage, etc. shall be screened from view from adjoining properties.

3-1 SOLOMONS TABLE OF LAND USES

The Solomons Table of Land Uses contained in Sections 3-1.01 through 3-1.11 lists different uses and the sub-areas of the Solomons Town Center in which they are permitted. If a use is not listed or does not fall within one of the general categories, it is not a permitted use in any sub-area. If a use is listed as a Conditional Use, the conditions are contained in Section 3-2. If a use is specifically listed in the Land Use Tables, it takes precedence over general use listings.
