Soccer Coaches Needed

The Calvert County Division of Parks and Recreation is in need of youth soccer coaches. No experience is required. Parks and Recreation has tapes and books that can assist you. The CCPR Soccer program meets two evenings each week (coach's choice) and games are usually on Saturday mornings or early afternoon. Coaches should be at least 21 years of age (coaches younger than 21 must be supervised by an adult at all times) and be willing to devote 3 – 5 hours of their time each week to help the youth of their community. Coaches can expect a rewarding experience as they help shape the youth of our county.

Team selections are the week of August 9th. If coaches are not found by the date of team selections, the Sports Office will divvy players up as evenly as possible. We will then send team rosters out to the parents of each team again looking for volunteers. If none are found by a certain date, we will be forced to process refunds to those teams without coaches. Team placement has nothing to do with when a child registers. CCPR Fall Soccer relies heavily on volunteers. Please give these children a chance to play. If interested please contact the Sports Office at 301-855-1243/410-535-1600 ext. 2227 or 2229.
