

NEW APPEAL CONVENIENCE CENTER OPENS JUNE 19

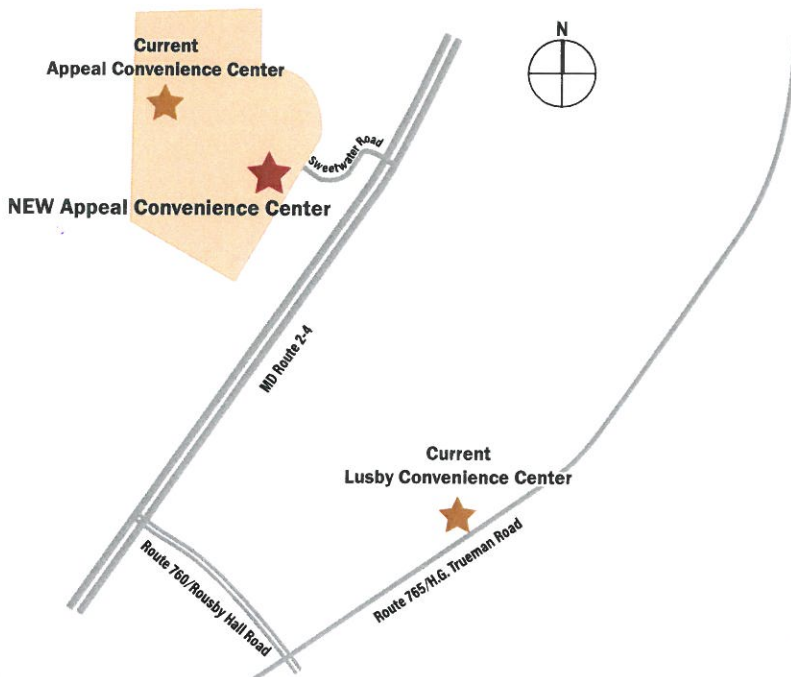

Calvert County's newest state-of-the-art solid waste and recycling center opens to the public Tuesday, June 19 following a ribbon cutting by the Board of County Commissioners.

The site consolidates the original Lusby Convenience Center on H.G. Trueman Road and the previous convenience center located at the Appeal Landfill.

The Lusby Convenience Center will remain open through June 23.

The new Appeal Convenience Center site design allows one-way traffic flow for residents and eliminates wait times experienced at older sites when compactor bins were changed out.
