**Standee Policy**

**Standee Policy**

For the safety of our riders, the MTA prohibits standees on commuter buses except under the following circumstances:

- In emergency situations, such as severe inclement weather or civil defense events.
- Should the U.S. Office of Personnel Management authorize an early release of federal workers due to inclement weather or miscellaneous events, the MTA will determine if coaches are available to depart according to a modified schedule.
- The MTA requires additional passengers once the bus has achieved a full seated load. Drivers are required to enforce this policy and to deny boarding to additional passengers once the bus has achieved a full seated load.
